

## **Full Service Pharmacy**

We currently are taking in a large amount of prescriptions per day and we still are able to cater to all of our customers requests in a timely manner. We also specialize in Nutrition and DME Products. If you have any requests or questions, contact us at 626-962-1061.

## **Closed-Door Pharmacy**

We cater to many skilled-nursing home facilities and home healths. We currently accept new contracts and if you would like more information on our services, please contact Us: 626-962-1061.
